## North Lyon Ambulance Saver Program

### **WHAT IS NORTH LYON AMBULANCE SAVER PROGRAM?**

When you or a family member have a medical emergency, you should not have to worry about the ambulance cost. The North Lyon County Fire Protection District is proud to offer the Ambulance Saver Program. Ambulance Saver Program will eliminate out-of-pocket expenses should you or your family require ambulance service. Ambulance services are very expensive with the average trip being about \$1,500. The affordable Ambulance Saver Program costs **\$75 per year** for a family and **\$50 per year** for a single member household. With Ambulance Saver Program you and your family will receive the best emergency ambulance service available, as often as medically necessary, with no additional expense. You need to provide us with any insurance you have so we can bill them accordingly. Members of the Ambulance Saver Program will have full coverage without deductibles, and absolutely nothing more to pay for ambulance transportation to the hospital.
