- Knowledge of the tactics, principles, practices and procedures of basic firefighting, the incident command system, hazardous materials and rescue response
- Ability to analyze firefighting, hazardous materials incidents and rescue situations and adopt safe, effective courses of action
- Knowledge of all applicable rules, regulations and operational procedures of the North Lyon Fire District
- Ability to act in accordance with State and Federal laws, regulations, operational procedures, policies and statutes

## **WORKING CONDITIONS:**

Work is performed under the following conditions.

Majority of time spent in fire station. Work in an emergency firefighting environment. Work in medical emergency situations, including vehicle accidents, swift water rescues, mountain rescues and other types of medical and rescue emergencies. Work in intense life-threatening conditions; exposure to fire, smoke, bodily fluids, swift water, heights, and noise. Risk of death or injury from sudden cave-ins of floors, toppling walls, traffic accidents when responding to calls. May come in contact with poisonous, flammable, or explosive gases and chemicals, as well as radioactive or other hazardous materials that may have immediate or long-term effects on health.

## **PHYSICAL AND MENTAL REQUIREMENTS**

The physical and mental requirements described here are representative of those that must be met by an employee to successfully perform the essential functions of the job.

Strength, stamina, and agility to utilize fire suppression equipment for long periods of time. Strength and stamina to fight fires while wearing heavy protective clothing and self contained breathing apparatus. Frequent lifting and/or moving of objects up to 30 pounds and occasional moving of objects up to 100 pounds. Specific vision abilities required include close vision, color vision, and the ability to adjust focus. Physical fitness must be maintained to perform a variety of maintenance duties as well as rescue and firefighting activities.

In compliance with applicable disability laws, reasonable accommodations may be provided for qualified individuals with a disability who require and request such accommodations. Incumbents and individuals who have been offered employment are encouraged to discuss potential accommodations with the employer.

## **MINIMUM QUALIFICATIONS**

Must possess the following at time of appointment and for continued employment:

- Current valid certification as an EMT-Paramedic
- CPR and ACLS Certification
- Firefighter 1 Certification
- Valid Class C drivers license
- C-PAT Fitness Exam

## **SPECIAL CONDITIONS**

All candidates being considered for a position with the NLCFPD will be required to submit to an extensive background investigation, physical exam and drug screen.

The applicant shall be certified within 12 months:

- NWCG Red-Card certification
- NIMS ICS 100-200-700-800
- S-190 Basic Wildland Behavior
- North Lyon Fire Driver Operator Course

## **BENEFITS**

This classification is a non-benefitted position. The District provides workers compensation insurance in accordance with Nevada State Law.
