This is a contract between the Fire District and the Subscriber for the Subscriber to participate in the Fire District's Ambulance Subscription Program, (the "Program"). The Program limits the Subscriber's financial obligation for use of the Fire District's ambulance services, which are not otherwise covered by insurance, to the annual fee amount specified in this agreement. As specified below, and if the terms of the agreement and the Program are met, The Fire District will not charge a Subscriber or a Subscriber's eligible dependents for medically necessary ambulance services.

- 1) Subscription Period The subscription period for the Program is from 12:01 a.m. on July 1st of each year to and including 12:00 midnight on June 30th of the following calendar year. Subscriptions may only be purchased or renewed during the months of May and June for the Subscription period beginning July of that year. Exceptions to the May and June purchase period can be made by the fire chief for good cause shown by the potential Subscriber.
- 2) Subscription Renewal This agreement is automatically renewed for additional subscription periods upon the payment of the Subscription fee in effect at the time of the renewal without the need for executing a new agreement. However, the Fire District reserves the right to require subscribers to execute a new agreement upon expiration of a subscription period.
 - Subscription Fee The annual fee for a subscription period, or any portion thereof, is SEVENTY-FIVE DOLLARS (\$75) for a household with more than one qualifying member, and FIFTY DOLLARS (\$50) for a household with only one qualifying member. THIS IS A NON-REFUNDABLE FEE. The fee is forfeited in the event the Subscriber moves out of the Fire District's service area or terminates the agreement. No refunds shall be issued in the event the Subscriber abuses this program and membership is terminated pursuant to the terms of this agreement.

For Subscriber's living in multi-unit or apartment building, the physical place of residence is limited to the unit, apartment or area occupied by the Subscriber. To be eligible a Subscriber's dependents, as defined above, must be enrolled with the Fire District at the time Fire District ambulance services are provided.  - a) Medically Necessary Services - The Subscriber acknowledges and agrees that enrollment in this program does not entitle the Subscriber to use the Fire District ambulance services or transportation that is not medically necessary. Medically necessary is defined as specific need for ambulance services or transportation where use of other services or forms of transportation, such as a private car or taxi, would be medically inappropriate. The absence of alternative services or methods of transportation does not, by itself, constitute medical necessity. If a subscriber and/or eligible dependent requests the Fire District's ambulance service and it is determined by the Fire District that it was not medically necessary, the Subscriber/dependent will be liable for the actual costs incurred in providing such service. The Fire District reserves the right to require a physician's certification of medical necessity.

- d) Assignment Prohibited - The Subscriber may not assign any rights and duties under this agreement without formal approval executed in writing by the Fire District.
- 6) No change in Fire District Duties – Nothing in this agreement shall be construed as imposing an additional duty on behalf of the Fire District to provide individual or special ambulance services to the Subscriber. The Subscriber understands and acknowledges that the Fire District only owes a duty to provide ambulance services to the public and that this agreement does not create a special duty or change or alter the general duty or the priority the Fire District establishes for a response to a request for service.
- 7) Medical Insurance – The Subscriber acknowledges and agrees that the Fire District has made no representations as to whether a Subscriber should or should not carry any type of insurance. This agreement does not require that a Subscriber carry medical insurance, which covers the costs of ambulance service. In the event a Subscriber does carry medical insurance; the Subscriber agrees to provide the Fire District all of the insurance information requested at the time of enrollment. The Subscriber agrees that the Fire District may seek reimbursement for the actual cost of the services. To facilitate claims processing, the Subscriber authorizes such payment to be made directly to the Fire District. If the Subscriber receives payment from any insurer, then the Subscriber shall immediately forward that payment to the Fire District. If the Subscriber fails to remit any such payment to the Fire District, the Subscriber's membership shall be terminated, and the Subscriber will be billed for the full costs of services provided. No reimbursement beyond the limits of the Subscriber's insurance, if any, shall be sought. If the Subscriber or dependent insurance carrier denies a claim as medically unnecessary, the Fire District will exhaust all appeals to accomplish payment. If the appeals fail, the Subscriber/dependent shall be responsible for all costs incurred for the ambulance service provided for that claim.
